

CONSULTANT DOCTOR

ABOUT SNEHA

SNEHA, a Mumbai-based non-profit with over 450 staff, focuses on improving health and nutrition in urban slums. Using a life-cycle approach, it addresses critical health and nutrition needs at key stages—from adolescence to family planning—aiming to enhance outcomes for women and children in vulnerable communities across Mumbai and the Mumbai Metropolitan Region.

It focuses on enhancing urban health by empowering both care seekers and providers. We work with informal settlement communities to drive change and partner with public health systems to ensure sustainable improvements. Our programs include Maternal and Child Health, Empowerment of Health and Sexuality of Adolescents, Public System Partnership, Prevention of Violence against Women and Children, SNEHA Shakti, Palliative Care, and Livelihood Generation.

ABOUT THE PROGRAM

This project seeks to provide palliative care to all people, irrespective of caste, creed, religion and economic status, to allow them to live their life with minimum pain, with dignity and comfort, to the very end. It seeks to provide prevention of and relief from suffering to patients with life-limiting illness or experiencing intense pain through provision of medical support, counseling and other services.

“WHAT’S IN IT FOR ME” (WIIFM) - AT SNEHA

At SNEHA, our fundamental belief is that prioritizing people is key, demonstrating our strong dedication to nurturing a supportive and growth-driven atmosphere. We uphold an open-door policy that champions transparency and open dialogue. We actively invite employees to voice their ideas, feedback, and concerns, fostering a culture where innovation and teamwork can flourish.

If you value excellence and are passionate about nurturing individuals, SNEHA is the perfect place for you!!
